

The Directive-Invented Patentability of Computer Programs

**Can a washing machine be a
computer-implemented invention?**

Only programs are computer-implemented.

**According to Art 52 EPC, computer programs are not
inventions.**

**Vote amendments 116, 29/41/59 and 36/42/117 to fix
this directive-implemented self-contradiction!**

See “www.ffii.org/amend” for a full analysis of all tabled amendments.
